All students must have access to a computer or suitable mobile device such as desktop, laptop, or tablet. In addition, up-to-date browser access, a reliable high-speed internet connection with enough upload and download capacity, a webcam and headset including microphone are needed.

2. Aims, Outcomes & Generic Skills

2.1 Course Aims

The purpose of this course is to provide students with an understanding of what is Australia now based on Australia's past history. Students will explore the rich First Peoples heritage that has shaped Australian culture. Then they will connect the current economic, political and cultural states of Australia with the different world influences. Finally, they will discuss the future of Australia through a sustainable perspective and the future of cultural diversity across the world.

Emphasis will be placed on providing students with opportunities to understand their own cultures through developing empathy with other cultures and insight into how they relate to each other. Through an exploration of culture, students will have the opportunity to reflect on their cultural identity and their role in a rapidly changing world.

Students will also have the opportunity to examine and compare the customs and traditions, strategies and practices from their own culture to other cultures in order to gain an understanding and appreciation of culturally diverse environments. Upon completion of this course students will be equipped to navigate through the diverse Australian systems effectively. They will be able to participate in a range of personal and professional contexts, and to relate to and work efficiently with people of other cultures.

2.2 Learning Outcomes

After successfully completing this course you should be able to:

1. Explain and understand Australian history in terms of Indigenous traditions as well as the impact of British Colonization of Australia.
2. Explain and compare the Australian political system and cultural diversity of Australia to their own cultures.
3. Discuss the future of Australia through a sustainable perspective and the future of cultural diversity across the world.

2.3 Generic Skills and Capabilities

For further details on the Generic Skills please refer to the [Graduate Generic Skills and Capabilities policy](#).

Griffith College aims to develop graduates who have an open and critical approach to learning and a capacity for lifelong learning. Through engagement in their studies, students are provided with opportunities to begin the development of these and other generic skills.

3.4 Other Information about your Learning

As you progress from the Foundation program to Diploma studies with Griffith College you will note some changes to the terminology used about your learning. This includes **Before Class** = Learning Content; **Classwork** = Learning Experiences; **Homework** = Learning Activities and **Assessment** = Evidence of Learning. We have therefore included both in the below information.

Preparation and Participation in Learning

You need to prepare before attending your scheduled learning experience. Work through the **Before Class** (Learning Content) prepared by your teacher which is found on the course site. Make sure you complete the **Homework** (Learning Activities) set each week, they are designed to support your learning. Active participation in your learning will enhance your success. Ask questions when something is unclear or when you want to bring some issue to your teacher's attention; respond to questions to test your knowledge and engage in discussion to help yourself and others learn.

Attendance

You are expected to actively engage in all **Classwork** (Learning Experiences) which underpin the learnings in this course. You are expected to engage with the Before Class work and Homework outside of timetabled class times. This requires you to be an active agent of your learning. You are expected to bring all necessary learning resources to class such as the required textbook and /or Workbook. In addition, you are encouraged to BYOD (bring your own device) to class such as a laptop or tablet. This is not a requirement as computer lab facilities are available on campus, however, the use of such devices in the classroom is encouraged with appropriate and considerate use principles being a priority.

Consultation Sessions

Teachers offer extra time each week to assist students outside the classroom. This is known as 'consultation time.' You may seek assistance from your teacher on email or in person according to how the teacher has explained this to the class. Attendance during consultation time is optional but you are encouraged to use this extra help to improve your learning outcomes.

Course Learning Materials

Learning materials are made available to you in the course site. The learning materials are arranged in Modules. In each Module you will find **Before Class** (Learning Content), **Classwork** (Learning Experiences), **Homework** (Learning Activities) and **Assessment** (Evidence of Learning). **Before Class** work will be engaged with prior to the scheduled **Classwork** (your weekly class). This will ensure you are prepared for the scheduled class by being aware of the content to be covered and therefore will be able to actively participate in the session. **Homework** (Learning Activities) are accessed after the scheduled session for purposes of review, consolidation of learning, and preparation for **Assessment** (Evidence of Learning Tasks) in the course.

In addition, **Anytime Anywhere** learning material is provided in the course. This learning material provides support, interactive tools and directions for students who occasionally cannot attend the weekly scheduled class (either in person or on Zoom) perhaps due to illness or other commitments. The Anytime Anywhere learning material should also be used in conjunction with before class and homework resources.

Self-Directed Learning

You will be expected to learn independently. This means you must organise and engage with the course content even when you are not specifically asked to do so by your teacher. The weekly guide will be helpful to organise your learning. This involves revising the weekly course learning material and completing the homework activities. It also means you will need to find additional information to evidence your learning beyond that given to you, and to construct your own response to a question or topic. All of this requires careful planning of your time. Expect to spend, on average, at least 10 hours per week including class time for each of your courses.

Program Progression

You are reminded that satisfactory Program Progression requires that attendance in classes is maintained at equal to or greater than 80%, students are engaged in their learning and that GPA is maintained at equal to or greater than 3.5 [please see Griffith College Policy Library - [Program Progression Policy](#) - for more information].

Teacher and Course Evaluation

Your feedback is respected and valued by your teachers. You are encouraged to provide your thoughts on the course and teaching, both positive and critical, directly to your teacher or by completing course and teacher evaluations via Griffith College's evaluation tool whenever these are available.

5.2 Assessment Task Detail (Evidence of Learning)

There are 3 tasks to evidence your learning in the course. To give yourself the best chance of success in this course you are encouraged to submit all 3 tasks.

1. Evidence of Learning Task 1: Mid-Trimester Exam (30%)

Task Type: Online Exam

Due Date: Week 5, date to be confirmed on course site

Weight: 30%, marks out of 30

Length: 2.5 hours

Task Description: The mid-trimester exam will cover topics presented in class from weeks 2 to 4. By completing the online, opened book, long answers questions mid-trimester exam, you will be provided with an opportunity to demonstrate achievement of learning outcomes 1

Criteria and Marking: Ability to explain and understand Australian history in terms of Indigenous traditions as well as the impact of British Colonization of Australia.

Submission: Online exam

2. Evidence of Learning Task 2: VEVO Oral Exam (30%)

Task Type: Oral Exam

Due Date: Week 8, date to be confirmed on course site

Weight: 30%, Marks out of 30

Task Description: In this exam, you will talk with your teacher for 6 minutes where you will show your depth of understanding. You will be given, one week before, a list of topics and questions to prepare for the exam. In this exchange, you will be asked to give your opinion on science and facts seen in class on week 7 and 8 as well as using critical thinking. This exam covers the learning outcome 2.

Criteria and Marking: Students are assessed on their ability to explain and compare the Australian political system and cultural diversity of Australia to their own cultures.

Submission: Online exam

3. Evidence of Learning Task 3: Final Exam (40%)

Task Type: Online Exam

Due Date: week 12, date to be confirmed on course site

Weight: 40%, marks out of 40

Length: 2.5 hours

Task Description: The final exam will cover topics presented from weeks 9 - 11 and will assess learning outcome 3. The online final exam will be an open book and essay like (long answers) very similar to the mid-term exam format.

Criteria and Marking: Students are assessed on their ability to discuss the future of Australia through a sustainable perspective and the future of cultural diversity across the world.

Submission: Online Exam

In order to pass this Course, students must:

A. Attempt all assessment items

B. Demonstrate assurance of learning of all learning outcomes through graded Assessment Tasks.

5.3 Late Submission

An Assessment Task submitted after the due date, without an approved extension from the teacher, will be penalised. The standard penalty is the reduction of the mark allocated to the Assessment Task by 5% of the maximum mark applicable for the Assessment Task, for each working day or part working day that the task is late. Assessment tasks submitted more than five working days after the due date are awarded zero marks.

Please refer to the Griffith College website - Policy Library > [Assessment Policy](#) for guidelines and penalties for late submission.

5.4 Other Information about Assessments (Evidence of Learning)

Retention of Originals

You must be able to produce a copy of all work submitted if so requested. Copies should be retained until after the release of final results for the Course.

Requests for extension

To apply for an extension of time for an evidence of learning task, you must submit an [Application for Extension of Assignment](#) form to your teacher at least 24 hours before the date the assignment is due. Grounds for extensions are usually: serious illness, accident, disability, bereavement or other compassionate circumstances and must be able to be substantiated with relevant documentation [e.g. [Griffith College Student Medical Certificate](#)]. Please refer to the Griffith College website – [Policy Library](#) for guidelines regarding extensions and deferred Evidence of Learning Tasks.

Return of Evidence of Learning Tasks

1. Marks awarded for in-trimester evidence of learning tasks, except those being moderated externally with Griffith University, will be available on the course site within fourteen [14] days of the due date. This does not apply to the final evidence of learning task in this course (marks for this task will be provided with the final course result).
2. Students will be advised of their final grade through the Digital Campus. Students can review their final exam papers after student grades have been published. Review of final exam papers will not be permitted after the final date to enrol.
3. Marks for **all** evidence of learning tasks including the final exam (if applicable) will be recorded in the Course Site and made available to students through the Course Site.

The sum of your marks of evidence of learning tasks in this course does not necessarily imply your final grade for the course. Standard grade cut off scores can be varied for particular courses, so you need to wait for the official release of grades to be sure of your grade for this course.

6. Policies & Guidelines

Griffith College Evidence of Learning Tasks-related policies can be found in the [Griffith College Policy Library](#) which include the following policies:

[Assessment Policy](#), [Special Consideration](#), [Deferred Assessment](#), [Alternate Exam Sitings](#), [Medical Certificates](#), [Academic Integrity](#), [Finalisation of Results](#), [Review of Marks](#), [Moderation of Assessment](#), [Turn-it-in Software Use](#). These policies can be accessed within the [Policy Library](#)

Academic Integrity Griffith College is committed to maintaining high academic standards to protect the value of its qualifications. Academic integrity means acting with the values of honesty, trust, fairness, respect and responsibility in learning, teaching and research. It is important for students, teachers, researchers and all staff to act in an honest way, be responsible for their actions, and show fairness in every part of their work. Academic integrity is important for an individual's and the College's reputation.

All staff and students of the College are responsible for academic integrity. As a student, you are expected to conduct your studies honestly, ethically and in accordance with accepted standards of academic conduct. Any form of academic conduct that is contrary to these standards is considered a breach of academic integrity and is unacceptable.

Some students deliberately breach academic integrity standards with intent to deceive. This conscious, pre-meditated form of cheating is considered to be one of the most serious forms of fraudulent academic behaviour, for which the College has zero tolerance and for which penalties, including exclusion from the College, will be applied.

However, Griffith College also recognises many students breach academic integrity standards without intent to deceive. In these cases, students may be required to undertake additional educational activities to remediate their behaviour and may also be provided appropriate advice by academic staff.

As you undertake your studies at Griffith College, your teachers and academic advisors will provide you with guidance to understand and maintain academic integrity; however, it is also your responsibility to seek out guidance if and when you are unsure about appropriate academic conduct.

In the case of an allegation of a breach of academic integrity being made against a student he or she may request the guidance and support of a Griffith College Student Learning Advisor or Student Counsellor.

Please ensure that you are familiar with the Griffith College Academic Integrity Policy; this policy provides an overview of some of the behaviours that are considered breaches of academic integrity, as well as the penalties and processes involved when a breach is identified.

For further information please refer to the Griffith College website - Policy Library > [Academic Integrity Policy](#)

Reasonable Adjustments for Evidence of Learning Tasks – The Disability Services policy

The [Disability Services policy](#) (accessed within the [Policy Library](#)) outlines the principles and processes that guide the College in making reasonable adjustments to Evidence of Learning Tasks for students with disabilities while maintaining academic robustness of its programs.
